About CANBROC BULGARIA Ltd

We have been working together with the company Canbroc Bulgaria Ltd since the building of the first hypermarket PRAKTIKER, which took place in the period between February and August 2004. The company is our main subcontractor for security and fire alarm systems at the following sites:

-Hypermarket PRAKTIKER –Sofia -1
security and fire alarm systems

- Hypermarket PRAKTIKER –Sofia -2
security system

-Hypermarket PRAKTIKER –Plovdiv
security system

-Hypermarket PRAKTIKER –Varna
security and fire alarm systems

-Hypermarket PRAKTIKER –Pleven
security and fire alarm systems

-Hypermarket PRAKTIKER –Veliko Turnovo
security and sound-evacuation systems

By the realization of its part of the projects company Canbroc Bulgaria Ltd has demonstrated high expertise, competency and organizational skills.

The equipment offered by the company is manufactured by world known producers, works with high fidelity and flawlessly and has the necessary European and local certificates.

On grounds our previous experience upon constructing of more than 370 hypermarkets in Europe we can place our claim that the quality of the activities performed is in conformity with the high European standards.

In conclusion I would like to point out that Canbroc Bulgaria Ltd is a safe and loyal partner and I recommend the partnership to every potential customer and Assignor.
